

THE INAUGURAL #coolkidscolor

COLORING CONTEST

OFFICIAL CONTEST RULES

Sponsored by RichFX

LABOR DAY → DAY AFTER THANKSGIVING → CHRISTMAS DAY

September 7, 2026 | November 27, 2026 | December 25, 2026

COLOR IT. MAKE IT YOURS. SHARE IT. BRING IT TO LIFE.

The Inaugural #coolkidscolor Coloring Contest is a judged creative coloring competition for kids and adults. Participants color the official RichFX contest image and enter by publicly posting their finished artwork, tagging the official RichFX account on the same social platform, and including the required hashtag #coolkidscolor. Five custom RichFX prizes will be awarded.

1. No Purchase Necessary

No purchase is necessary to enter or win. Purchasing a RichFX product will not improve an entrant's chances of winning.

2. Eligibility

The contest is open to children and adults who meet any geographic eligibility requirements stated in the official contest announcement.

Entrants under 18 must participate with the permission of a parent or legal guardian. For entrants under 18, a parent or legal guardian must post the entry on the child's behalf and handle contest-related communications with RichFX.

Employees, contractors, and members of the immediate household of RichFX may participate for fun but are not eligible to receive a contest prize unless otherwise expressly stated. Void where prohibited by law.

3. Contest Period

The contest begins on September 7, 2026 - Labor Day - and ends on November 27, 2026 - the day after Thanksgiving.

Entries must be publicly posted by the end of November 27, 2026, unless RichFX publishes an exact cutoff time in the official contest announcement. RichFX records and the timestamp associated with the social-media post may be used to determine whether an entry was submitted on time.

The intended annual #coolkidscolor schedule is: Labor Day - contest opens; day after Thanksgiving - entries close; Christmas Day - winners announced.

4. How to Enter

1. Obtain the official #coolkidscolor contest coloring page distributed by RichFX.
2. Print the page.
3. Color it using your choice of traditional coloring materials.
4. Take a clear photograph or scan of the completed artwork.
5. Post the finished artwork publicly on a social-media platform where RichFX maintains an official presence.

6. Tag the official RichFX account on that same social platform.
7. Include the hashtag #coolkidscolor in the post.

TAG RICHFX + INCLUDE #coolkidscolor = REQUIRED FOR ENTRY

A post is not a valid contest entry unless the official RichFX account is tagged AND the post includes #coolkidscolor. If either is missing, the entry is incomplete unless corrected while the contest remains open.

The post must remain publicly viewable long enough for RichFX to verify and judge the submission. For entrants under 18, the entry should be posted through a parent or legal guardian.

5. Coloring Materials

Traditional coloring materials are encouraged and may include crayons, colored pencils, markers, pastels, watercolor pencils, and other comparable physical coloring media. The contestant should perform substantially all of the creative coloring work. Parents and guardians may assist younger children with printing, photographing, scanning, and posting the entry.

6. One Common Contest Image

Contestants will color the same official #coolkidscolor contest image. Everyone starts with the same line-art page; what makes each entry different is the contestant's color choices, technique, imagination, style, medium, interpretation, and creativity. There is no required color palette. Creative, unexpected, funny, dramatic, realistic, fantastical, unconventional, or completely wild approaches are welcome.

7. Unlimited Entries - No Resubmissions

There is no limit on the number of eligible entries a participant may submit during the contest period. Participants may color and submit as many genuinely different versions of the official contest page as they wish. Each entry must be a new, separately completed coloring and must independently satisfy all contest requirements.

Resubmissions are not allowed. The same completed artwork may not be entered more than once. Reposting the same artwork on another platform, with a different crop, photograph, filter, brightness adjustment, post text, or later date does not create a new eligible entry. Minor alterations to an already completed coloring also do not create a new entry.

To enter again, create another genuinely different completed coloring.

8. One Prize Per Participant

A participant may submit unlimited qualifying entries but may receive only one prize in the Inaugural #coolkidscolor Coloring Contest. If multiple entries from the same participant would otherwise qualify for prizes, RichFX will award that participant the highest applicable prize and select another eligible entrant for the remaining prize. All five prizes therefore will be awarded to five different participants.

9. Original Work

Each submitted coloring must substantially represent the contestant's own work. Entries may not be copied from another contestant or falsely presented as someone else's work. Minor photographic adjustments intended only to accurately present the physical artwork - such as cropping, straightening, or basic brightness correction - are permitted. The creative coloring itself must be completed physically unless RichFX specifically announces a digital-coloring category.

10. Skill-Based Creative Contest

This is a judged creative contest, not a random drawing or sweepstakes.

- Creativity
- Originality
- Use of color
- Imagination
- Effort
- Attention to detail
- Technique
- Overall visual impact
- Personality
- Individual interpretation
- Age-appropriate accomplishment

The most technically sophisticated entry will not necessarily win. The purpose of #coolkidscolor is to celebrate creativity, imagination, personality, and the enjoyment of coloring - not simply to reward professional artistic skill. Judging decisions made by RichFX are final.

11. Age Consideration

RichFX may consider an entrant's age when evaluating accomplishment, effort, technique, and creativity. Potential age groupings may include ages 6 and under, ages 7-12, ages 13-17, and adults 18+. RichFX may use age divisions for judging or recognition depending on participation levels. The objective is fairness: a young child enthusiastically working with crayons should not be judged solely against the technical execution of an experienced adult artist.

12. Prize Structure

RichFX will award five prizes total: three Grand Prize Winners and two Runner-Up Winners. All five prize recipients will receive a custom RichFX experience with a retail value of approximately \$100 each.

13. Three Grand Prizes - Full Personalized Coloring Book Experience

Each of the three Grand Prize Winners will receive one fully themed, fully RichFX-branded personalized coloring book.

Each book will receive the complete RichFX creative treatment and will be built specifically around the winner. Using supplied reference photographs and a mutually agreed theme or concept, RichFX may create a personalized adventure featuring the winner and, where appropriate and authorized, family members, friends, pets, hobbies, sports, animals, favorite activities, adventures, fantasy settings, or other personally meaningful themes.

Each Grand Prize includes the Fully Themed Experience - the entire coloring book is built around a cohesive concept tailored to the winner's photographs, interests, and ideas - plus the RichFX Branding Experience, providing the complete branded RichFX presentation.

Retail Value: \$99.97 per Grand Prize. Three Grand Prizes will be awarded. Grand Prizes have no cash alternative and cannot be exchanged for cash.

14. Two Runner-Up Prizes - Bring Your Entry to Life

Each of the two Runner-Up Winners will receive the RichFX "Bring Your Entry to Life" Experience.

RichFX will take the runner-up's actual submitted #coolkidscolor contest artwork and transform it into a polished digital creation inspired directly by that contestant's coloring. RichFX will then bring the finished creation to life in a short cinematic motion video.

- One custom digital artwork based on the actual contest entry
- Creative enhancement inspired by the contestant's colors, choices, and interpretation
- One short cinematic motion video bringing the artwork to life

- Digital delivery of the finished artwork and motion piece

Retail Value: \$99.00 per Runner-Up Prize. The contestant's own coloring remains the creative foundation of the prize.

YOUR COLORS. YOUR CREATIVITY. YOUR ENTRY. RICHFX BRINGS IT TO LIFE.

15. Total Prize Value

The five announced prizes have a combined retail value of \$497.91: three Grand Prizes at \$99.97 each (\$299.91 total) and two Runner-Up Prizes at \$99.00 each (\$198.00 total). RichFX may advertise the contest as offering nearly \$500 in RichFX prizes.

16. Grand Prize Creation

To create a Grand Prize Winner's personalized coloring book, RichFX may request reference photographs, a preferred theme, hobbies or interests, favorite activities, preferred adventures or settings, information necessary to distinguish people or pets appearing in reference photographs, and other reasonable creative preferences. For minor winners, all source materials must be supplied or approved by a parent or legal guardian. RichFX retains reasonable creative discretion over the final book and may request alternative source material or themes if submitted content cannot reasonably or appropriately be used.

17. Runner-Up Prize Creation

The Runner-Up Winner's submitted contest artwork will serve as the primary creative source for the Bring Your Entry to Life prize. RichFX may interpret, enhance, stylize, animate, or otherwise creatively develop the submitted artwork while attempting to preserve the contestant's recognizable color choices, visual ideas, creative decisions, and overall artistic intent. The resulting digital artwork and motion video may differ stylistically from the original physical coloring while remaining recognizably inspired by it.

18. Winner Selection

After the contest closes, RichFX will review all eligible entries and select three Grand Prize Winners and two Runner-Up Winners. Five different participants will win. Winners will be selected according to the judging criteria described in these Official Rules. RichFX may consider the entrant's age when assessing creative accomplishment.

19. Winners Announced Christmas Day

The winners of the Inaugural #coolkidscolor Coloring Contest will be announced on December 25, 2026 - Christmas Day.

RichFX intends to announce three Grand Prize Winners, each receiving a Fully Themed + RichFX-Branded Personalized Coloring Book Experience, and two Runner-Up Winners, each receiving a RichFX Bring Your Entry to Life Experience. Winner announcements may appear through RichFX social-media accounts, RichFX websites, Etsy-related promotional channels, or other RichFX promotional channels.

20. Winner Notification

RichFX will make reasonable efforts to contact winners through the social-media account associated with the winning entry or through another available contact method. A winner must respond within 7 days of notification unless RichFX specifies another period. If a winner cannot be contacted, does not respond, is determined to be ineligible, or cannot accept the prize, RichFX may select an alternate winner. For minor winners, all communications and prize arrangements will be handled through the parent or legal guardian.

21. Children's Privacy

Parents and guardians should not publish unnecessary identifying information about a child as part of a contest entry. Do not include information such as home address, school name, classroom, telephone number, precise location, daily schedule, or other unnecessary sensitive identifying information.

A photograph or scan of the completed coloring is sufficient. A photograph of the child is NOT required to enter or win. Entries for minors should be posted by a parent or legal guardian.

22. Display and Sharing of Contest Artwork

Because entry occurs by publicly posting the artwork and tagging RichFX, contestants understand that their submitted artwork will be publicly visible on the platform on which it is entered.

By entering, an adult contestant - or the parent or legal guardian of a minor contestant - grants RichFX permission to share, repost, reproduce, and display the submitted contest artwork in connection with the #coolkidscolor contest, contest promotion, RichFX social media, RichFX websites, contest galleries, winner announcements, Etsy-related promotional materials, and future #coolkidscolor promotions. The contestant retains ownership of their original coloring work.

23. Photographs and Likeness of Contestants

Entering the contest does not automatically grant RichFX permission to use a participant's photograph, face, full name, or other unrelated personal identifying information for advertising. A contestant is not required to appear in the photograph with their artwork. RichFX will obtain separate permission before publicly using photographs depicting minors for additional promotional purposes. Any such use involving a minor must be authorized by the child's parent or legal guardian.

24. Social-Media Entry Requirements

To qualify, an entry must be posted on a social-media platform where RichFX maintains an official presence.

- Display the completed contest artwork
- Be publicly viewable
- Tag the official RichFX account on that platform
- Include #coolkidscolor in the post

The RichFX tag and #coolkidscolor hashtag are mandatory. A post missing either requirement is not an eligible entry unless corrected while the contest remains open. If account privacy settings prevent RichFX from viewing or verifying an entry, the entry may not be eligible. Participants are responsible for ensuring RichFX can reasonably see and verify the entry.

25. Social Engagement Does Not Affect Judging

Contestants are encouraged to share their work, encourage friends to participate, and help spread #coolkidscolor. However, likes, shares, reposts, comments, follower counts, view counts, and other popularity metrics will not determine the winners. This is a creative contest, not a popularity contest.

26. Fair Play

RichFX may reject or disqualify an entry that was not substantially created by the named contestant, is a resubmission of previously entered artwork, copies another person's completed coloring, uses false information, attempts to manipulate the judging process, contains unlawful or inappropriate material, creates a significant privacy or safety concern, violates these Official Rules, or is inconsistent with the family-friendly nature of #coolkidscolor. RichFX may resolve unusual eligibility or submission situations in a manner it considers fair to participants.

27. Technical and Platform Problems

RichFX is not responsible for deleted posts, platform outages, failed tags, hashtag indexing failures, private-account restrictions, account suspensions, corrupted uploads, unreadable images, incorrect tags, or other technical issues outside RichFX's reasonable control. Participants are encouraged to retain both the original physical artwork and a clear photograph or scan until winners have been announced.

28. Prize Delivery

Grand Prize coloring books and Runner-Up artwork/motion prizes will ordinarily be delivered digitally in the format specified by RichFX. If RichFX elects to provide a physical or printed prize, applicable shipping arrangements will be communicated separately. Any cost not expressly included in a prize is the responsibility of the winner.

29. Taxes

Any applicable federal, state, local, or other taxes arising from receipt of a prize are the responsibility of the winner or, where applicable, the winner's parent or legal guardian.

30. Contest Modification or Cancellation

RichFX reserves the right to modify, extend, suspend, postpone, or cancel the contest if fraud, technical failures, social-platform problems, abuse, legal requirements, insufficient participation, or circumstances beyond RichFX's reasonable control prevent the contest from being conducted fairly or as intended. If a material change occurs, RichFX will make reasonable efforts to announce it through the same channels used to promote the contest.

31. Platform Disclaimer

The Inaugural #coolkidscolor Coloring Contest is sponsored and administered solely by RichFX. It is not sponsored, endorsed, administered by, or associated with Facebook, Instagram, Meta, Etsy, or any other social-media, marketplace, or technology platform on which the contest may be promoted or entered. Participants release those platforms from responsibility for administration of the promotion to the extent permitted by applicable law.

32. Limitation of Liability

To the extent permitted by applicable law, RichFX will not be responsible for losses, damages, injuries, technical failures, or other claims arising from participation in the contest or acceptance or use of a prize except where liability cannot legally be excluded. Nothing in these Official Rules waives any legal right that cannot lawfully be waived.

33. Governing Law

The contest is subject to applicable federal, state, and local laws and regulations. Void where prohibited or restricted by law.

34. Acceptance of Official Rules

By posting and submitting an entry, an adult contestant - or the parent or legal guardian entering on behalf of a minor - acknowledges that they have read, understood, and agree to these Official Rules. Participation constitutes acceptance of the rules and agreement to the judging process described above.
